Room 2.19f, Stopford Building, Oxford Road, Manchester M13 9PT

PIAT Programmes application form

To buy a single module you need to complete only sections 1,2,3,5,8 and 9 but the information in sections 4 and 6 will help us to provide support during your studies. To register for the Certificate, Diploma or MSc please complete all sections.

Section 1

Surname	Title Dr/Mr/Mrs/Miss	
Other names	Date of Birth	Sex male/female

Home Address		Company Name	
		Workplace Address	
Postcode	Email	Postcode	E-mail
Telephone		Telephone	Fax

Section 2 programme selection (Please tick box/es of chosen course/es)

	Master of Science (MSc)	Diploma in Advanced Studies	Certificate
Industrial Pharmacy	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Clinical Trials	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Toxicology	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pharmaceutical Microbiology (PMAT) *1	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pharmaceutical Business Development & Licensing (PDL) *2	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
QP Training	<input type="checkbox"/>		
Modules only	<input type="checkbox"/>		

Note: there is no charge for registration and no obligation to complete the programme of study. If you achieve the required standards you can transfer at a later date from single module study to an award programme.

*1 In association with the Pharmaceutical Microbiology Interest Group *2 In association with the Pharmaceutical Licensing Group

Section 3 module selection

For the Diploma and MSc programmes you must complete 8 modules within 4 years. For the Certificate you must complete 4 modules within 2 years. Please list below your likely selection of modules and the order in which you want to study them. Selection is not binding but the final selection must be approved by the PIAT Academic Director. You do not need to buy all the modules for the Certificate, Diploma or MSc programmes at once: you pay for each module at the price which is current at the time you are ready to start it.

Module Number	Title	Module number	Title

Section 4 Further Education History

Date Entered	Date Left	Name of University/College	Field of study	Grade Class

NB. Students registering for the Diploma in Advanced Studies or MSc degree should attach a copy of each degree certificate or transcript of marks or grades. Please do not send the original certificates.

Section 5 Method of Payment *Tick only one box in this section*

You can purchase individual modules or a programme of 4 or 8 modules. The method of payment selected does not affect the programme or module selection you made above. When we receive your instructions we will issue an invoice. The module will be sent to you when we receive payment.

I am buying a single module.

Please invoice _____

I am buying 4 or 8 modules payable in two equal instalments.

Please invoice _____

Please note that fees are not refundable nor may modules be transferred to another individual.

- From 1st September 2006 fees per module, including tutorial support, assignment, workshop and examination are £1,110.
- If you register for the Certificate, Diploma or MSc you can buy each module for the price current at the time of purchase.
- Alternatively you can buy the programme of eight modules at an inclusive fee, payable in two equal instalments, one at the start of the programme and the second after the first year of study.
- This inclusive price is currently £8,880.
- The additional supervision and examination fee for an MSc is £1,170 - £585 payable when the project starts and £585 on completion.
- Expenses incurred by the University Supervisor for site visits (usually a minimum of two) are also charged to the student.
- An additional fee of £1,650 will be applied if you use the course for QP Training.

Section 6 Industrial Experience (with dates)

_____	_____
_____	_____
_____	_____
_____	_____

Section 7 Referees

Give names, addresses and telephone numbers of two referees, qualified to write about your attainments and capacity for advanced study and research.

Referee 1

Referee 2

Address
